Based in Slough / Email: cameracalebj@gmail.com /
Tel: 07751637785 / Full UK drivers licence / portfolio: calebkjohnston.com

Having always had a love for expressionism through moving image, I decided to explore the art of filmmaking by completing a film production degree at the University of Portsmouth. Since graduating, I have been focussed and dedicated to assisting the camera department.

I love working in a team and helping my crew move forward as efficiently as possible.
